Seek Godly Wisdom

Lauren. M

Wisdom is the ability to use your knowledge and experience to make good decisions and judgments.

We'll never fall short in wisdom from God because He's made it possible through His Word. Genesis to Revelation gives us a healthy supply of what wisdom looks like as a Believer in Christ.

His Word is true and is the same yesterday, today, and forever more, making it applicable in our everyday journey as a child of God. Worldly wisdom does exist, but we desire to seek Godly wisdom.

Seeking Godly wisdom and recognizing its value is to see life from God's perspective which allows us to make wise decisions. It's a gift that God gives to Believers when we ask.

In this complex world, we all need God's Divine wisdom and guidance more than we ever have before. ---Neal Donald Walsch
