Dead Situations

Kara. B

"For just as the body without the spirit is dead, so also faith without works is dead."
James 2:26.

Could we be dealing with dead situations because we're not working our faith? Can one grow in Christ and never read His Word and spend time with Him? This seems to be a basic principle; you can't expect change if you don't DO something to change it.

Noah showed great faith by heeding God's warning and building the ark to survive a worldwide flood that took over 100 years to happen!

What about the 10 virgins? 5 of them showed great faith by purchasing additional oil for their lamps so they were ready when the bridegroom came. Let's learn from these faithful people and begin to work our faith to receive a living outcome.
