Heavenly Rewards

Kara B.

I'm currently reading *Heavenly Rewards* by Mark Hitchcock, and it has been a powerful reminder that Believers who are serious about their walk with the Lord should intentionally focus on storing up heavenly rewards.

Scripture speaks often about rewards that can only be earned during our lifetime here on earth. Jesus said, "For where your treasure is, there your heart will be also." The question we should ask ourselves is: Are we truly treasuring heavenly things more than earthly things?

Perhaps it's time to shift our priorities and pursue the rewards the Lord has promised. After all, our reward in heaven will far surpass anything this world can offer. Earth is temporary, but heaven is eternal.

Let's dive into the Scriptures and explore this fascinating, yet often overlooked, topic together. Don't let the enemy cheat you out of the rewards God desires for you to receive.
