MANNA

Shaped By Truth

Kara B.

Philippians 1:9–11 teaches us to remain sincere and blameless until Christ returns by growing in two things: **real knowledge** and **all discernment**. As we pursue both through Christ, we become able to recognize what is excellent and bear the fruit of righteousness. True knowledge and discernment come only from Him, reminding us to stay connected to the True Vine.

In a culture increasingly opposed to Christ, we must guard what we allow into our hearts and minds. We learn through repetition, and whatever we continually hear and see will shape our beliefs. Many voices compete for our attention, but not all lead us toward Christ.

There is still time to course correct. Let us choose to love the knowledge and discernment that come from Christ above every other influence, allowing His truth to shape our lives and produce lasting fruit.

What voices have most influenced your thinking lately, and are they drawing you closer to Christ or further from Him?
