

We provide biblically based education in theology, counseling, and ministry to adult learners to enhance their service to the religious or global community and to foster lifelong inquiry and learning.

- To create a community of learning where critical inquiry is encouraged during all processes of scholarly and practical pursuits so that academic freedom is fostered.
- To provide instruction in Biblical Studies Theology, Pastoral Ministry, and Biblical Counseling, so that Christian men and women may meet important educational and personal needs from lay ministry to professional level.
- To provide a Christ centered evangelical curriculum so that learners will be grounded and articulate in the beliefs of Christianity.
- To foster learning, scholarly inquiry and assessment at the undergraduate level so that learners may bring about positive spiritual change by applying their learning in the religious or global community in which they serve.
- To provide cost-effective learning and support services at different academic levels so that a wide number of individuals may afford a theological or professional education.

## Testimonials

Read what some alumni have to say!

*"When I first started, I was new to getting back into church and this has helped me with my walk with God, helped me get closer with Him, and I'm learning a lot."*

—Shernice M.

*"I thought it was just for the pastor or the minsters...the leaders of the church, but then I learned differently, that it was actually for everybody."*

—Jennifer C.

*"I gained spiritual knowledge and understanding. The Word, the teachings were beyond my imagination."*

—Angela T.
